### **Advancing social simulation : the First World Congress in ...**

Director of Social Statistics Research Group, University of Auckland, New Zealand. This book incorporates 31 papers drawn from the 90 or so presented at the 2006 First World Congress on Social Simulation held in Kyoto. This was the first joint gathering of the European, North American and Asia Pacific associations.

### **Advancing Social Simulation: the First World Congress**

Social simulation is a research field that applies computational methods to study issues in the social sciences. The issues explored include problems in computational law , psychology , [1] organizational behavior , [2] sociology , political science, economics , anthropology, geography, engineering , [2] archaeology and linguistics ( Takahashi, Sallach & Rouchier 2007 ).
