A cherished Christmas movie for some and a crazy fever dream for others, 2000's How the Grinch Stole Christmas was an unexpected (and ambitious) project for Oscar-winning director Ron Howard to take on, especially when his last big project was Apollo 13. The biggest draw for the project was, of course, Jim Carrey, who had been the king of comedy in the '90s.

The world behind a simple shirt, in five chapters. The U.S. has perfected cotton by treating it as a high-tech product. Genetically modified crops are controversial, but not among U.S. cotton farmers: Roughly 90 percent of U.S. cotton comes from genetically modified seeds that were designed in labs to produce more cotton and resist pests. And when it's time to harvest the cotton, U.S ...

Dream is a fictional character who first appeared in the first issue of *The Sandman*, written by Neil Gaiman and published by DC Comics. One of the seven Endless, inconceivably powerful beings older and greater than gods, Dream is both lord and personification of all dreams and stories, all that is not in reality (which, in turn, Dream may define by his existence).

Keep the structure, add to the rest. The idea behind a kitchen upgrade or facelift is to make as much use of the kitchen hardware that you already have, such as the kitchen units, electrical, plumbing and waste connections, whilst adding new benchtops, door fronts, drawers etc to make a fabulous new kitchen.
