Federalism is the mixed or compound mode of government, combining a general government (the central or 'federal' government) with regional governments (provincial, state, cantonal, territorial or other sub-unit governments) in a single political system. Its distinctive feature, exemplified in the founding example of modern federalism by the United States under the Constitution of 1787, is a ...

Burma sorely needed the practical reasonableness and organizational skills of Aung San. When the ten year opportunity for some of the non-Burman territories to secede from the Union approached the military carried out a coup d'etat in 1958. There were other issues including the disorganization and ineptitude of the civilian government of U Nu and the fear of a communist takeover but ...
