### **Children Doing Mathematics**

Introduction to Network Mathematics provides college students with basic graph theory to better understand the Internet. Many passages are edited from Wikipedia, a few are from PlanetMath, and others are original writing by Bruce Hoppe, who teaches CS-103: "Introduction to Internet Technologies and Web Programming" at Boston University. This is a work in progress, first created in the spring ...

### **Introduction to Network Mathematics**

Traditional mathematics (sometimes classical math education) was the predominant method of mathematics education in the United States in the early-to-mid 20th century. This contrasts with non-traditional approaches to math education. Traditional mathematics education has been challenged by several reform movements over the last several decades, notably new math, a now largely abandoned and ...

You are definitely right... if a teacher is running a quality preschool, they should already be doing all this stuff anyway. We have been emphasizing the science portion at least these past few years through what we called "Wonder Works" training, talking about science throughout the day and also by using the CLASS assessment to increase awareness of the importance of open-ended questions ...
