Introduction To Aikido What is Aikido? Whenever I move, that's Aikido. O Sensei, Morihei Ueshiba. Aikido is a Japanese martial art developed by Morihei Ueshiba (often referred to by his title 'O Sensei' or 'Great Teacher'). On a purely physical level it is an art involving some throws and joint locks that are derived from Jujitsu and some throws and other techniques derived from Kenjutsu.

The Aikido FAQ: Introduction To Aikido

Aikido was created by Morihei Ueshiba (植芝 道場 Ueshiba Morihei, 14 December 1883 – 26 April 1969), referred to by some aikido practitioners as Ōsensei (Great Teacher). The term aikido was coined in the twentieth century. Ueshiba envisioned aikido not only as the synthesis of his martial training, but as an expression of his personal philosophy of universal peace and reconciliation.

Aikido techniques are frequently referred to as waza 技 (which is Japanese for technique, art or skill). Aikido training is based primarily on two partners practicing pre-arranged forms rather than freestyle practice. The basic pattern is for the receiver of the technique to initiate an attack against the person who applies the technique—the uke tori, or shite uke, (depending on aikido ...
