

Emotional Sobriety From Relationship Trauma To Resilience And Balance

Emotional Sobriety From Relationship Trauma

What is Hip Sobriety School? The Hip Sobriety School and Group Coaching program is an 8-week virtual course. It's open to you if you're simply questioning your relationship with alcohol, trying to quit drinking, or well into sobriety and looking for additional tools and support.

The Hip Sobriety Project

Evolution and Definition of PTSD. PTSD was initially described as "shell shock" for returning veterans. Our understanding of this painful disorder has evolved in the DSM-5 to identify a broader range of trauma-inducing stressors, including exposure or threat of death, actual or threatened serious injury, or actual or threatened sexual violence.

The Relationship Between PTSD and Addiction - MentalHelp

Phone Support. The WFS office maintains a list of women who have volunteered to be phone contacts for women who may not have access to other WFS peer support or who wish to develop a more individualized support relationship.

Emotional Rape | Psychopaths and Love

Description. The ability to deal effectively with emotions is critical to success in recovery. Gain a greater understanding of the importance of emotional intelligence, how to use it with clients, how to model responses to address difficult situations, and teach skill building exercises by attending this webinar.

Applying Emotional Intelligence to Recovery - NAADAC

Common Perspectives. The importance of addressing domestic violence in substance abuse treatment for women becomes evident when one reviews the research.

IDHS: Addressing Domestic Violence In Substance Abuse ...

How does one move forward in the uncertainty of dating in a right and good way without becoming a nervous wreck? The forward march of the heart in dating is like walking a tightrope — all daters perform, and dating feels de facto not by grace. Each of us is left with a basic question: How does the grace of Christ meet us in the midst of emotionally charged, often over-spiritualized, life ...

This piece should be called irony. Because the thing I am most nervous to make a statement about is the exact opposite of the one I was afraid to as I began this journey. Years ago I was terrified of the stir I would create and rejection I would face if I ever had to admit that

Hi, my Name is Holly. And I'm NOT an Alcoholic*. (*Because ...

The liver cells synthesize a number of enzymes. As blood flows through the liver, both from the portal vein and from the hepatic artery, the cells and enzymes are filtered. Nutrients entering the liver from the intestine are modified into forms that are usable by the body cells or are stored for future use.

The intense emotional crisis of abandonment can create a trauma severe enough to leave an emotional imprint on individuals' psychobiological functioning, affecting their future choices and responses to rejection, loss, or disconnection.

Post Traumatic Stress Disorder of Abandonment, Part I: An ...

Peer support occurs when people provide knowledge, experience, emotional, social or practical help to each other. It commonly refers to an initiative consisting of trained supporters (although it can be provided by peers without training), and can take a number of forms such as peer mentoring, reflective listening (reflecting content and/or feelings), or counseling.

Peer support - Wikipedia

I agree 100%. When someone makes a suicide threat they may be really thinking inside "I want an end to this emotional pain, and death seems to be the only permanent answer, but simultaneously they ...
