Italian profanity (bestemmia, pl. bestemmie, when referred to religious topics; parolaccia, pl. parolacce, when not) are profanities that are blasphemous or inflammatory in the Italian language.. The Italian language is a language with a large set of inflammatory terms and phrases, almost all of which originate from the several dialects and languages of Italy, such as the Tuscan dialect, which ...

Sir, these are the records you requested of Subject M's calls to his girlfriend since Saturday. I'm afraid we only managed to record one side of the conversation on each occasion owing to a glitch which are working to identify, although we think that he might be using some sort of experimental blocking device.

In my recent post about starting faith conversations with kids, I pointed out that it's one thing to acknowledge we need to be intentional in fostering the deeper conversations of faith; it's another thing to have a plan for what those conversations should be. I said that I would draft a bucket list of conversations I want to have with my kids before they leave home someday and share them ...

Mental checking is the cognitive counterpart of behavioral checking, and many covert checking rituals overlap extensively with the mental rituals that characterize Pure-O OCD.. Whereas overt checking involves obtaining evidence directly from the current physical environment (i.e., obtaining visual, auditory, or tactile feedback from physical objects or behaviors), mental checking typically ...
