The history of Vienna has been long and varied, beginning when the Roman Empire created a military camp in the area now covered by Vienna's city centre. From that humble beginning, Vienna grew from the Roman settlement known as Vindobona to be an important trading site in the 11th century. It became the capital of the Babenberg dynasty and subsequently of the Austrian Habsburgs, under whom it ...

Espionage or spying is the act of obtaining secret or confidential information without the permission of the holder of the information. Spies help agencies uncover secret information. Any individual or spy ring (a cooperating group of spies), in the service of a government, company or independent operation, can commit espionage. The practice is clandestine, as it is by definition unwelcome.
