Most of you will know that I am a Geographer, having studied the subject at University and taught it throughout my career. Translating literally as the study or description of the Earth, I can trace my passion for 'place' back to being a small boy watching a television documentary of two men on a raft floating through dense jungle on the island of Papua New Guinea.

Spiritual Anatomy. Many cultural traditions contain an esoteric thread describing what might be referred to as the anatomy of the human soul. There are the ka and ba of Egyptian mythology, the meridians of acupuncture, the chakras and nadis of yoga, the sephiroth of Hebrew cabbalistic tradition, and the etheric and astral bodies of western esoteric lore.
