### **American Academy of Hospice and Palliative Medicine**

The field of palliative care is relatively new, so a lot of people – including many doctors and nurses – do not understand the benefits of this service. They may also confuse palliative care with hospice care. Because this lack of understanding is common, patients and families may need to educate their health care providers about these types of care.

### **Palliative Care Versus Hospice - What's the Difference?**

The American Board of Medical Specialties recognized hospice and palliative medicine as a medical specialty in 2006. Hospice and palliative medicine is one of the fastest growing specialties. More than 84 percent of hospitals have a palliative care program. First begun in 2012, the Hospice and ...
