Rescuing The Enlightenment From Itself

Rescuing the Bible from Fundamentalism: Spong reveals to us the real message of the Bible in his best selling book, Rescuing the Bible from Fundamentalism. For those who are curious about how a thoroughly postmodern bishop might view the Bible, this is a fascinating read.

Rescuing the Gospel from Bishop Spong - LeaderU.com

One of the central tenets of science is to define a problem to be studied with as much clarity as possible, and the key to clear communication is calling things what they really are. Unfortunately, both the American media and public intellectuals have failed to be honest in identifying what everyone in Europe knows is the primary source of terrorism in the world today: Islam.

The Concordat of Worms (Latin: Concordatum Wormatiense), sometimes called the Pactum Calixtinum by papal historians, was an agreement between Pope Callixtus II and Henry V, Holy Roman Emperor on September 23, 1122, near the city of Worms. It brought to an end the first phase of the power struggle between the Papacy and the Holy Roman Emperors and has been interpreted as containing within itself ...

Concordat of Worms - Wikipedia

The white savior is a cinematic trope in which a white character rescues non-white characters from unfortunate circumstances. This trope appears in an array of genres of films in American cinema, wherein a white protagonist is portrayed as a messianic figure who often learns something about him or herself in the course of rescuing non-white characters from their plight.

Pastor Robin Fish Sermon on Isaiah 42:1-7

God has spoken again. God has spoken again because the world is facing its greatest travails, its most difficult challenges. The human family has created an environmental calamity that has the

power to undermine its civilization—a calamity of many factors; a calamity that will alter your environment, that will deplete your soils, that will dry up your rivers; a calamity that will bring an ...

Incidentally, the same pattern of soul evolution has been identified by the hypnotherapist Michael Newton (right). His groundbreaking research was published in the best-selling book Journey of Souls: Case Studies of Life Between Lives (Llewellyn, 1994). The books by Newton and his students draw upon thousands of transcripts of people who, under hypnotic regression, have re-experienced being ...

Connections explores an Alternative View of Change (the subtitle of the series) that rejects the conventional linear and teleological view of historical progress. Burke contends that one cannot consider the development of any particular piece of the modern world in isolation. Rather, the entire gestalt of the modern world is the result of a web of interconnected events, each one consisting of ...
