Spiritual direction has been an intrinsic part of the Christian tradition since the earliest days of the church when desert mothers and fathers were sought out for their wisdom and guidance. Today, the popularity of retreats and renewed interest in monastic spirituality has put spiritual direction in the spotlight. It is shedding its rather exotic, mystical associations and is increasingly ...

Spiritual Direction: A Practical Introduction: Sue ...

'This is quite simply the book on spiritual direction we've been waiting on for years. Perhaps some of the book's freshness might lie in the author being a New Zealander. The sub-title of the book is 'A practical introduction' and it's almost a course in itself.

Spiritual Direction: A Practical Introduction Kindle Edition

Spiritual Direction: A Practical Introduction. Spiritual Direction is based on the premise that, recognized or unrecognized, God is already at work in people's lives both inside and outside the institutional church. It links contemporary research on religious and spiritual experience with a model of spiritual direction which helps people pay...
