

*Success Against The Odds Five Years On Revisiting Effective Schools In Disadvantaged Areas*

### **Success Against The Odds Five**

Odds are a numerical expression, usually expressed as a pair of numbers, used in both gambling and statistics. In statistics, the odds for or odds of some event reflect the likelihood that the event will take place, while odds against reflect the likelihood that it will not. In gambling, the odds are the ratio of payoff to stake, and do not necessarily reflect exactly the probabilities.

"Against All Odds (Take a Look at Me Now)" (also titled "Against All Odds") is a song by English drummer, singer and songwriter Phil Collins. It was recorded for the soundtrack to the 1984 film of the same name. It is a power ballad in which its protagonist implores an ex-lover to "take a look at me now", knowing that reconciliation is "against all odds" while considering it worth trying.
