

## *The British Monopolies Commission*

### **The British Monopolies Commission**

The Competition Commission was a non-departmental public body responsible for investigating mergers, markets and other enquiries related to regulated industries under competition law in the United Kingdom. It was a competition regulator under the Department for Business, Innovation and Skills (BIS). It was tasked with ensuring healthy competition between companies in the UK for the ultimate ...

Monopolies definition, exclusive control of a commodity or service in a particular market, or a control that makes possible the manipulation of prices. See more.

### **Monopolies | Definition of Monopolies at Dictionary.com**

A monopoly (from Greek μόνος, mōnos, 'single, alone' and πωλεῖν, pōleîn, 'to sell') exists when a specific person or enterprise is the only supplier of a particular commodity. This contrasts with a monopsony which relates to a single entity's control of a market to purchase a good or service, and with oligopoly which consists of a few sellers dominating a market.
