

The Chinese Experience In America

The Chinese Experience In America

Chinese Culture Transplanted to America. They also offered meat, vegetables, cakes, fruit, and the like to the spirits of the dead. Flowers and make-believe paper money were laid on the graves and, if the dead were cremated and ashes preserved in a temple, incense was burned in front of the urns containing the remains.

The Chinese Experience in America

Between the 1890s and 1920s, the Chinese population in America declined. But the worst effect was to undermine the one thing that was most precious to the Chinese, their families. Chinese men were forced to live lonely bachelor lives in the almost all-male society that was Chinatown.

The Chinese-American Experience: An Introduction

He treats the nineteenth-century immigration experience, the development of early Chinese communities, American exclusion and the difficulties of living in the shadow of exclusion, and the Chinese community in the post-World War II era and today.
