Workplace bullying is a persistent pattern of mistreatment from others in the workplace that causes either physical or emotional harm. It can include such tactics as verbal, nonverbal, psychological, physical abuse and humiliation. This type of workplace aggression is particularly difficult because, unlike the typical school bully, workplace bullies often operate within the established rules ...

Workplace bullying - Wikipedia

Racism is a social process associated with "overt and covert forceful establishment and maintenance of power by one social group over another" 3.. Racism can be seen as a misuse of power and, even today, power relations are signified by subtle cultural rules that perpetuate racial inequality 6.. What are the origins of racism?
