THE DOCTOR WHO CURES CANCER.....

The Doctor Who Cures Cancer. He was attacked and ostracized by the best. JAMA published false reports about his work. The American Cancer Society blasted him time and again. Meanwhile, word of mouth brought new patients to see him for decades. The smears didn't work, so something more needed to be done.

By Dr.Mercola. Burzynski, the Movie is the story of a medical doctor and Ph.D biochemist named Dr. Stanislaw Burzynski who won the largest, and possibly the most convoluted and intriguing legal battle against the Food and Drug Administration in American history.. In the 1970s, Dr. Burzynski made a remarkable discovery that threatened to change the face of cancer treatment forever.

He believed he had stomach cancer due to an ongoing and constant problem with indigestion and flatulence. The growth of a polyp in his throat only made his fear of cancer increase and no assurance from his doctor could sway his belief nor ease his fears. He was positive he had throat cancer along with stomach cancer.

Kelley Eidem, the "inventor" of a novel "recipe" to erase cancerous tumors, is the accomplished author of what I consider a very important book, The Doctor Who Cures Cancer (see bottom of this article). The exceptional physician whose outstanding achievements and lifework are thoroughly covered in this work is Dr. Emanuel Revici.

Kelley Eidem's recipe - habanero peppers, garlic, ginger plus emulsified cod liver oil/evening primrose oil - powerful cancer cure? (Dr. Revici) - Healing Cancer Naturally via Alternative Holistic Cancer Treatment - Welcome!

Basically, there are three ways to treat cancer: with medicine (as well as with hormone therapy and immunotherapy), with radiation, and with surgery. Each treatment may be handled by a different specialist. Not every person will need all three types of treatments. It depends on your type of cancer and the stage of your cancer.
