Paradox

The omnipotence paradox is a family of paradoxes that arise with some understandings of the term 'omnipotent'. The paradox arises, for example, if one assumes that an omnipotent being has no limits and is capable of realizing any outcome, even logically contradictory ideas such as creating square circles.

History. Paradox Development Studio is based on the heritage of the Swedish board game company Target Games, and has been a game developer of PC-focused grand strategy games since 1995, including the Europa Universalis, Hearts of Iron, Crusader Kings, and Victoria series. The company continued to create PC games and in 1999, the company was divided into two separate entities: Paradox ...

Ill-being definition is - a condition of being deficient in health, happiness, or prosperity.

Ill-being | Definition of Ill-being by Merriam-Webster

What God Has Joined Together is an effort to bridge the divide between marriage-supporting and gay-supporting people of faith by showing why both sides have important things to say. By affirming marriage for all, What God Has Joined Together concurs with conservatives' call for marriage renewal and a more marriage-supporting culture. And it concurs with liberals' affirmation of everyone's ...

Evidence for God from Science: Christian Apologetics. God's Love for Us God's Love. God's love is not a topic of discussion in most religions. However, for Christianity, God's love for us is the center of gospel message. God's love is most aptly illustrated in the parable of the prodigal son. The Bible defines love as an action verb, characterized by our love for God and our fellow human beings ...

God's love for Us - God And Science.org

Evidence for God from Science God And Science.org. Is God real or just an outdated concept? Who is God? Do we need God or can we get along fine without Him? These were some of my questions about God before I came to faith. This site provides answers to questions about God, evidence for God's existence, His care and love for mankind, and His provision for joyful living both now and into ...

Before we can begin speaking about God, we need to speak about speaking about God. Traditionally, God is conceived of as a being that transcends this world; language, however, is of this world—a human construction that reflects the lives, thoughts, and biases of those who use it. How then can we ...
