"The Golden Age of Piracy" is a term used by historians to refer to the most widespread increase of "sea banditry": 7 on record. Although scholars agree that there was a boom in raiding and pillaging activities in the early eighteenth century, there are various schools of thought regarding the length of time that was the Golden Age.

Piracy off the coast of Somalia refers to criminal violence and threats by Somalian pirates in the Gulf of Aden, Guardafui Channel and Somali Sea, in what some say are disputed territorial waters. It had primarily been a threat to international fishing vessels, expanding to international shipping since the second phase of the Somali Civil War, around 2000.

The Modern Age Pirates . Although the tales of Golden Age of Piracy are still fresh in our minds, full of swashbuckling captains, treasure ships and fierce naval battles, the modern age still has one area of the world where pirates rule the sea - Somalia. After the collapse of their government in 1991, fierce civil war, and the birth of the inefficient new government, the country of Somalia ...

Scottish Pirates By Cindy Vallar. Spùinneadair-mara (spoo-nuder mara) in Gaelic means plunderer, spoiler, or robber on the sea. Or more specifically, pirate. All that is known about some Scottish sea raiders are their names, like Alan of the Straws, and some tidbit of fact or legend, such as he lived in Torloisk on the Isle of Mull.
